Sharon:
I can't seem to get ahold of my clients today and their scanner failed yesterday. Can you please send me an electronic copy of what you sent out this week?
Thanks for your professional courtesy.

Also, do you have contact information for Charles Pufahl? And/or His attorney? I believe you said he was the remaining partner.

Subject: question for you

Hi,
Do either of you have the contact information for Lincoln Processsing's insurance company's counsel and the name and contact info for the insurance company? I believe you said that they had insurance and that the insurance company had participated in settlement discussions. Thanks.
Sharon
